

ON TOUR

Creada por Emily Rupay y Fabiola Villagra

Introducción

Proyecto

Plataforma Web de Gestión de Giras de Estudio

Cliente

Agencia de Viajes ON TOUR

Objetivo

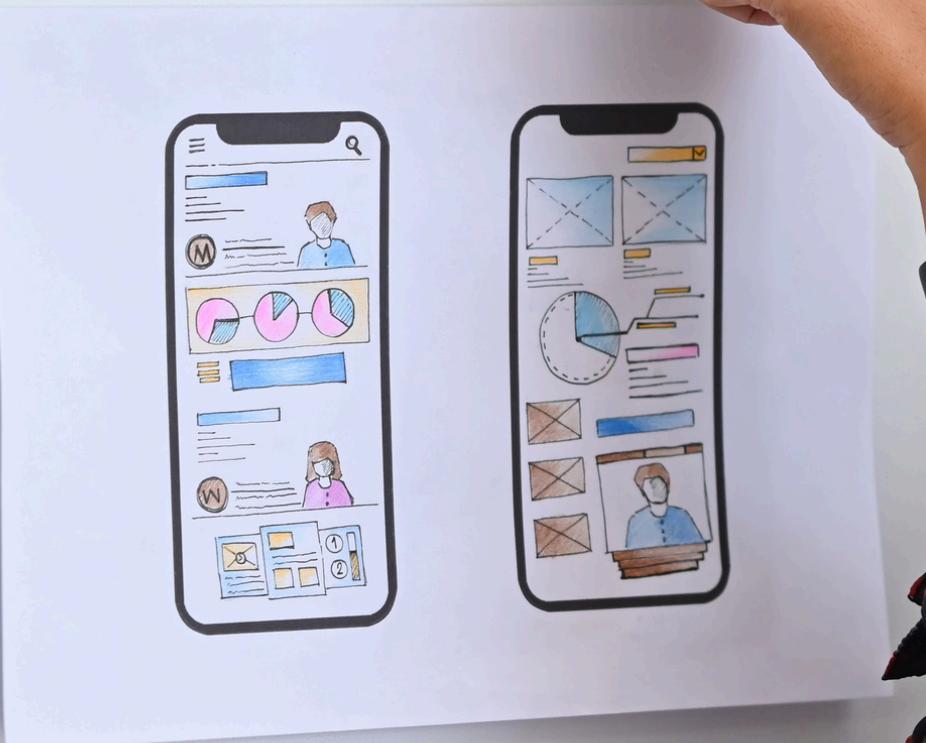

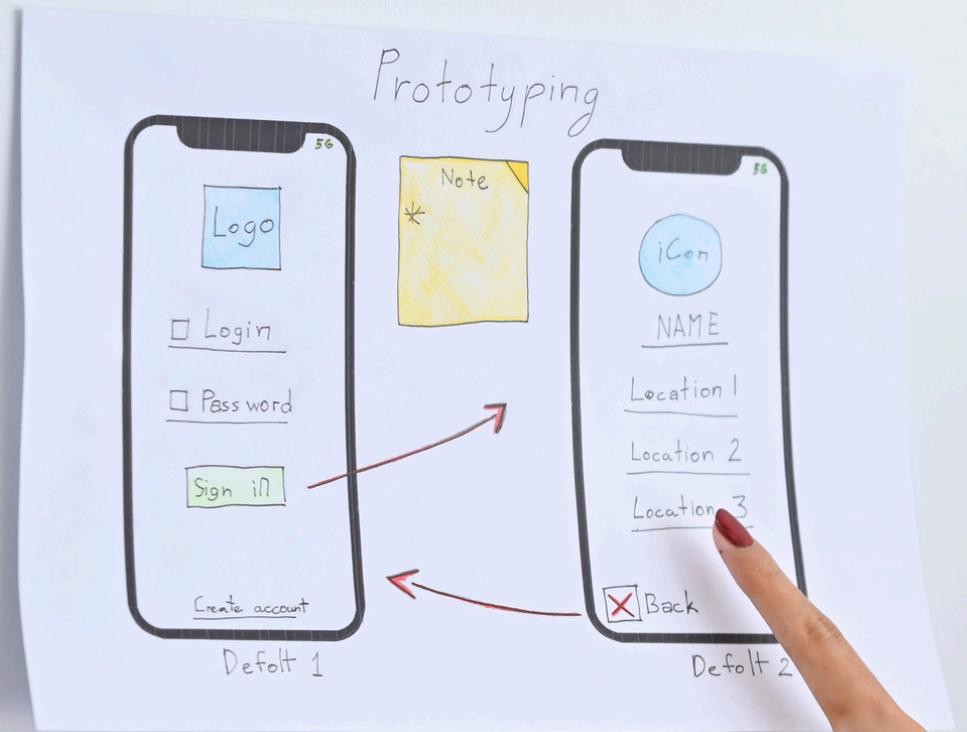

Digitalizar la gestión de viajes escolares, transparentar los aportes financieros, centralizar la documentación, facilitar la comunicación con apoderados y automatizar el seguimiento de pagos y actividades.

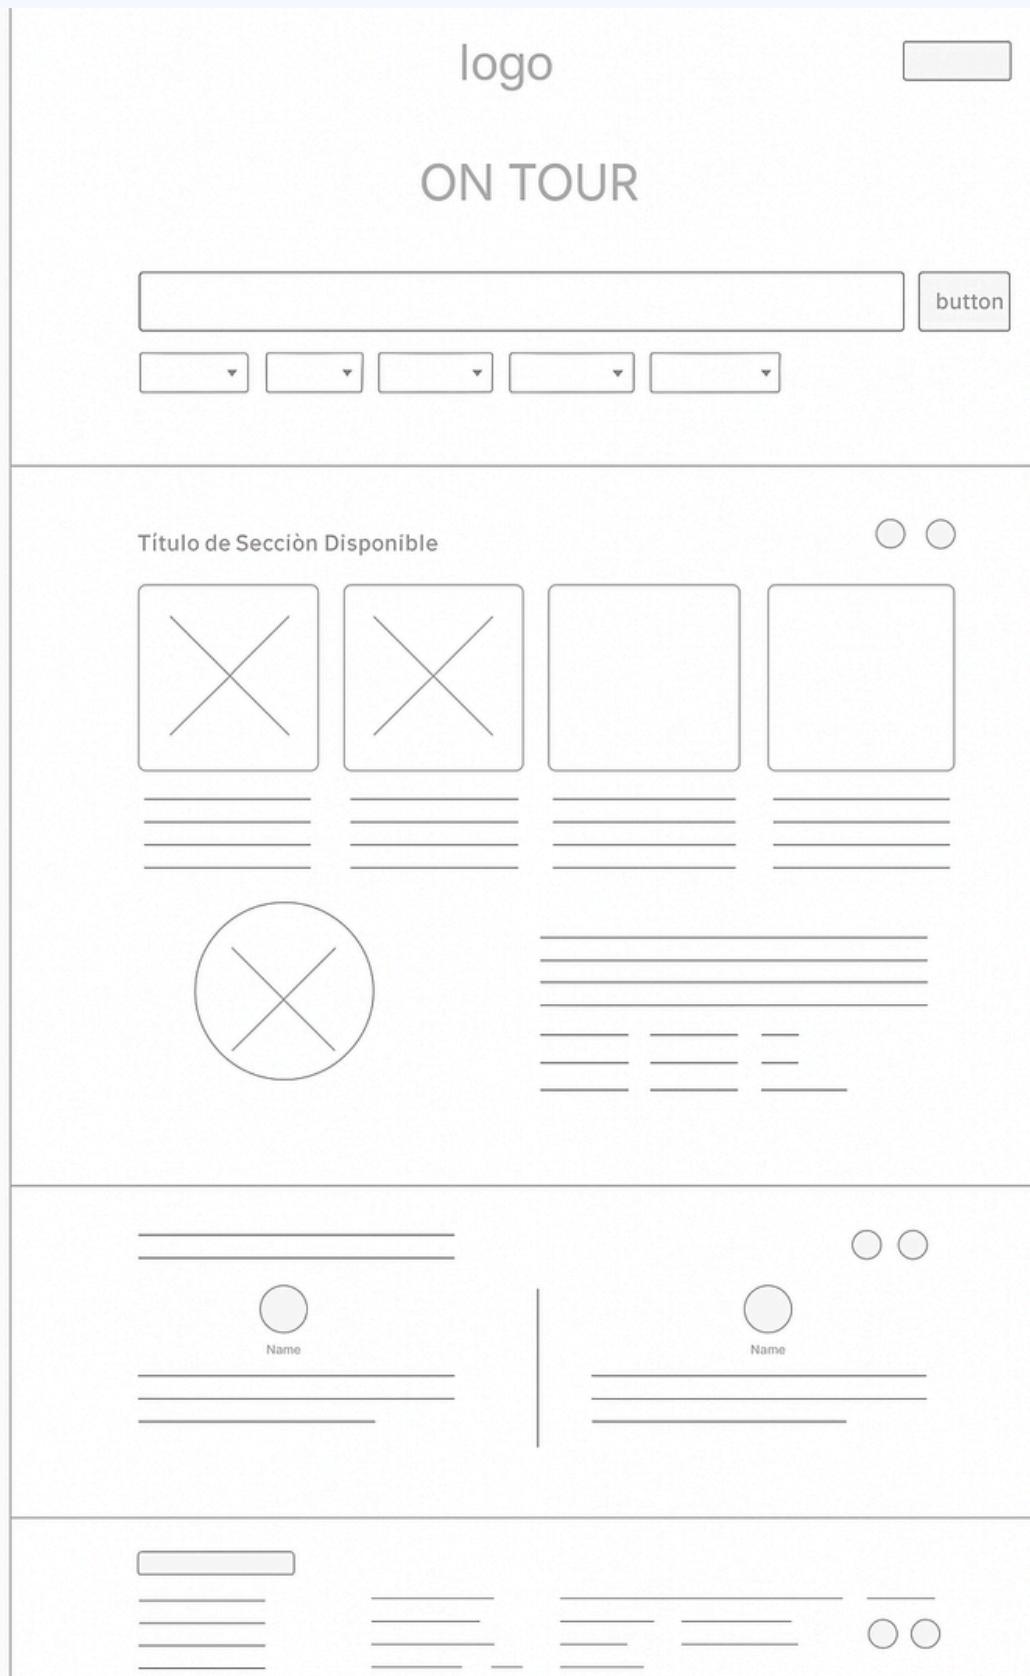

Prototipos de Software

Herramientas utilizadas:

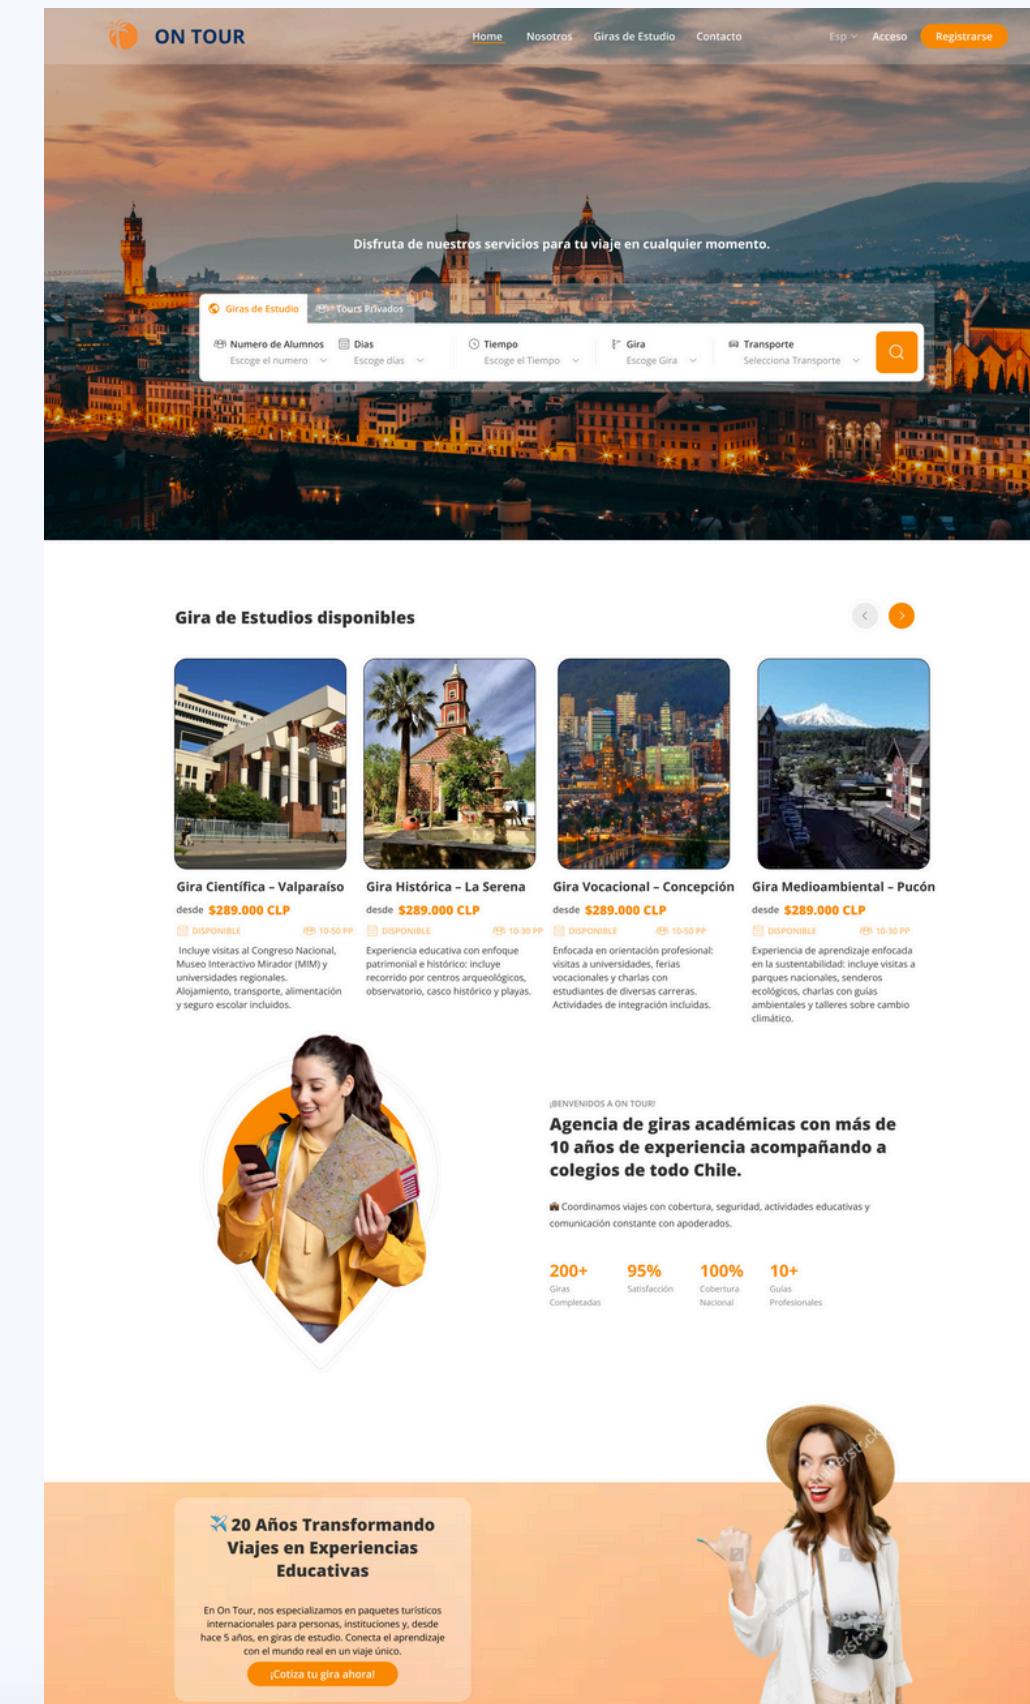

- **Baja fidelidad:** Balsamiq
- **Mediana fidelidad:** Figma con wireframes estructurados
- **Alta fidelidad:** Figma con diseño UI, colores institucionales, tipografía, íconos y navegación completa

Baja fidelidad

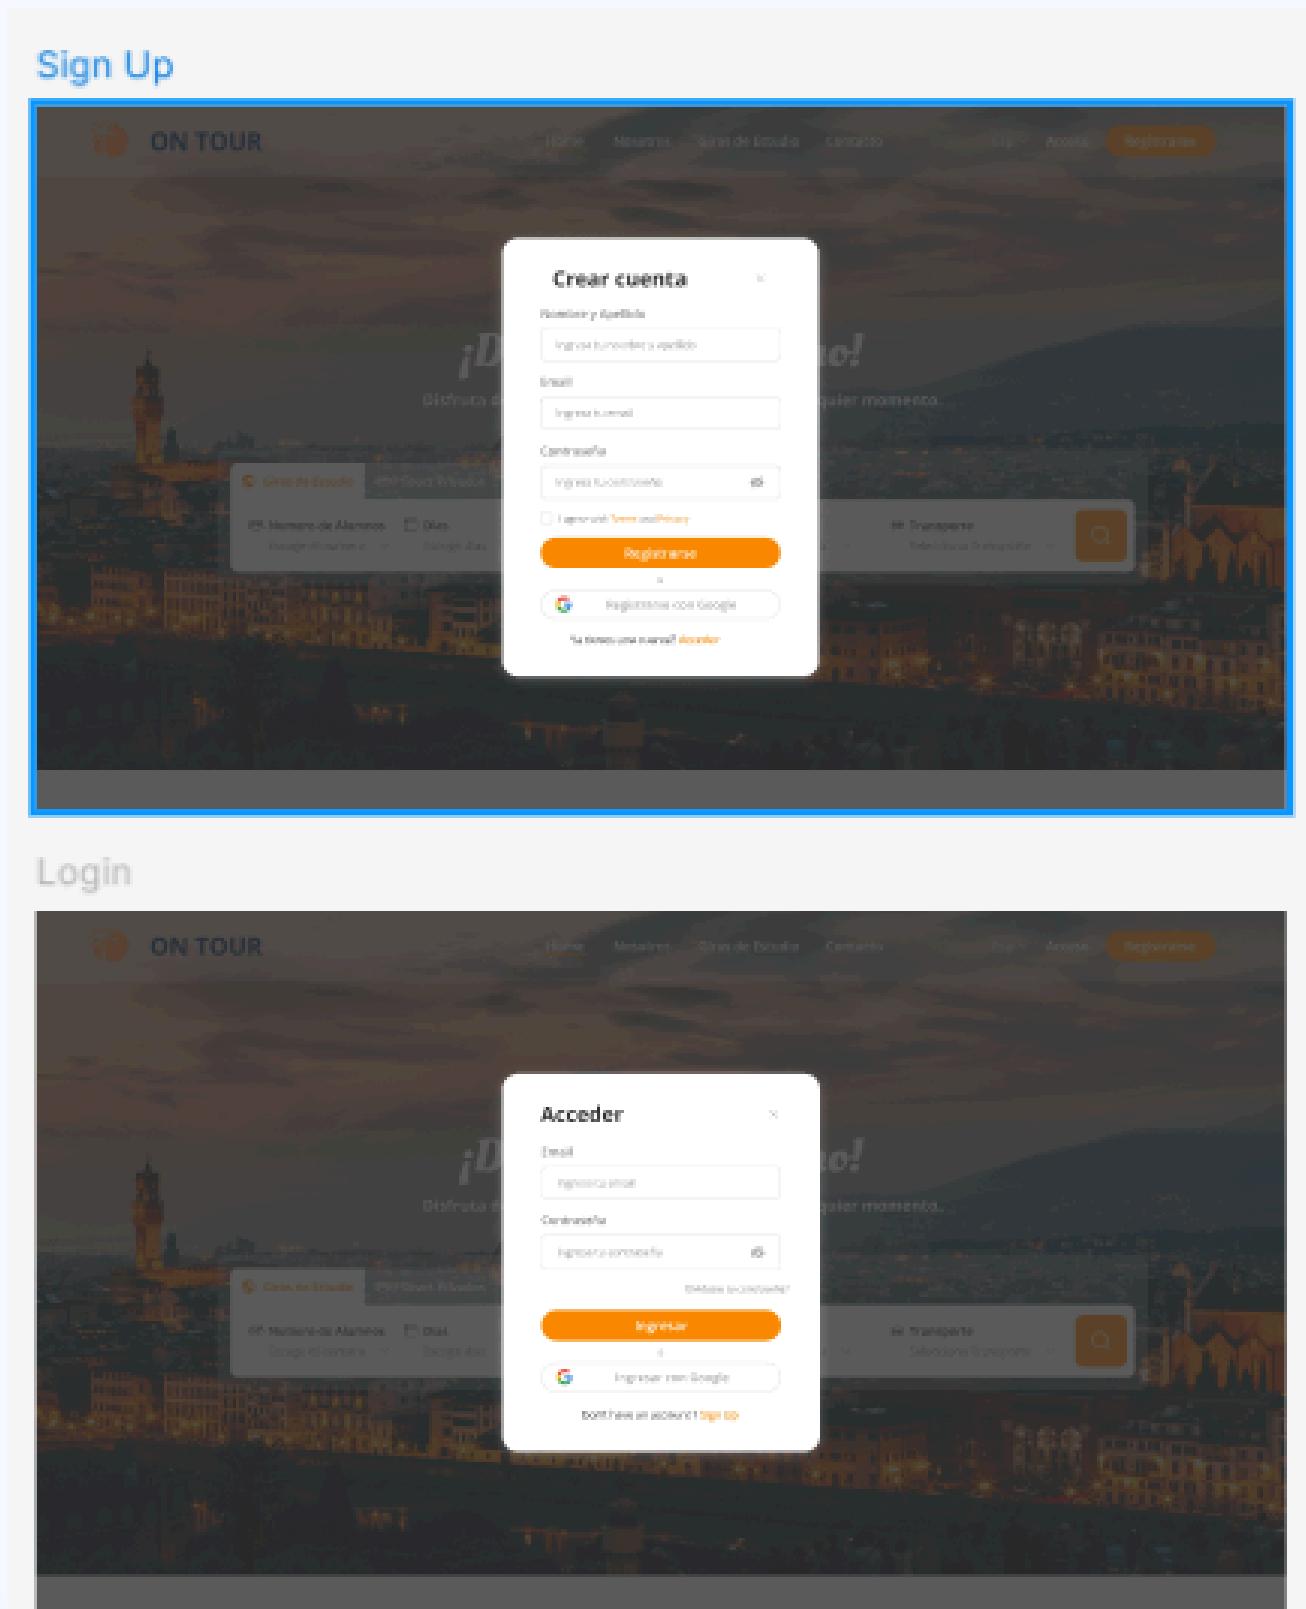

Alta fidelidad

Baja fidelidad

A low-fidelity wireframe of the On Tour sign-up page. The page features a header with a logo and the text "ON TOUR". Below the header is a form with several input fields and dropdown menus. A large central modal window titled "Crear cuenta" contains fields for "Nombre de usuario", "Email", and "Contraseña", followed by a "Continuar" button and a link to log in if they already have an account.

Alta fidelidad

Baja fidelidad

This low-fidelity wireframe shows the layout of the 'Apoderado' dashboard. At the top, there's a navigation bar with links to Home, Nosotros, Gira, and Contacto. Below it, a header 'Apoderado' is followed by two buttons: 'Mi Gira' and 'Crear sesión'. A section titled 'Mi progreso en la Gira' displays three cards with values: '\$450,000', '\$780,000', and '8'. To the right of these are two empty boxes. Below this are two more cards: one showing '60%' progress with a clipboard icon, and another labeled 'Soltat el roollo'. Further down is a chart titled 'Progreso Financiero Individuo' with a line graph. To the right of the chart is a sidebar titled 'Eventos' with several empty lines. At the bottom left is a section titled 'Participación estado:' with a large empty input field. Below that is a monthly calendar for June 2025. To the right of the calendar is another sidebar titled 'Eventos del mes' with empty lines. At the very bottom, there's a footer with the 'ON TOUR' logo, links to Servicios, Home, Ayuda, Contactos, and Social Media, and some small circular icons.

Alta fidelidad

This high-fidelity design of the 'ON TOUR' dashboard is presented in a light blue-themed layout. At the top, there's a header with the 'ON TOUR' logo, a language switch to 'Eng', and a user profile icon. Below the header, a button 'Mi Gira' and a link 'Cerrar sesión' are visible. A main title 'Mi progreso en la Gira' is followed by a summary box containing financial figures (\$450,000, \$750,000), activity counts (8 Total Actividades, 3 Retornos, 5 Actividades), and a reminder about the final payment deadline. A progress bar indicates '60% Alcanzado'. To the right are buttons for 'Póliza de seguro', 'Contrato del curso', 'Ver Actividades', and 'Itinerario del viaje'. The central part of the page features a 'Progreso Financiero Individual' chart showing fluctuating lines over 12 cycles. To the right is a sidebar for 'Actividades' and 'Eventos' with specific entries like 'Rifa solidaria' and 'Feria de emprendimientos'. Below this is a large orange banner with the text 'Estado de participación: ¡Ya estás inscrito oficialmente en la gira!' and a message about active participation. At the bottom, there's a 'Calendario' section with a monthly grid for June 2025, a sidebar for 'Eventos del mes' with details about upcoming events, and a sidebar for 'Eventos del mes' with event descriptions.

Requisitos del sistema

■ Requisitos Funcionales

- RF01: El apoderado debe visualizar el estado de su aporte
- RF02: El sistema debe permitir subir y descargar documentos
- RF03: El ejecutivo puede crear contratos con múltiples servicios
- RF04: El sistema debe enviar notificaciones automáticas por email
- RF05: El administrador puede gestionar los tipos de actividades y usuarios

■ Requisitos No Funcionales

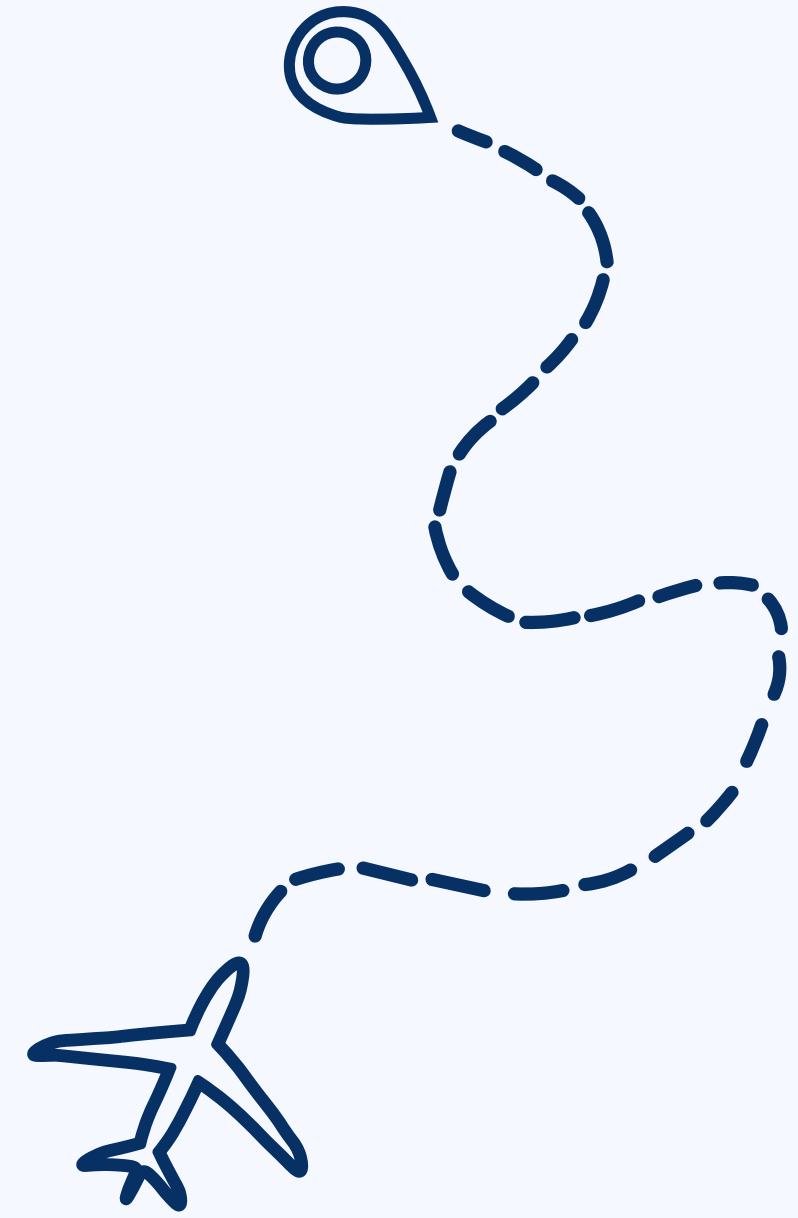

- RNF01: El sistema debe ser accesible 24/7 vía web
- RNF02: La información financiera debe estar protegida mediante cifrado
- RNF03: Tiempo de carga máximo de pantalla < 3 segundos
- RNF04: Compatible con dispositivos móviles y navegadores modernos
- RNF05: Escalable para uso en múltiples colegios simultáneamente
